Message from Director

It gives me great pleasure to welcome you all to the Swami Vivekanand High School. Swami Vivekanand High School has institutionalized 'NED' (Never give up, Encourage others and Do your best) as its motto for a continued search for knowledge and information, and share the received wisdom with the community to selflessly serve mankind. Every stone piece has within, certain unwanted parts, needing to be chiseled out by its maker, before being sculpted into a beautiful statue. SVHS over the past few years is in the pursuit of this noble mission to help mould blossoming minds. We have diligently developed our academic philosophy by laying great emphasis on the pursuit of knowledge, its application and skills to help in its dissemination. Our underlying philosophy is to create new benchmarks by incorporating new initiatives in the field of education through modern and innovative teaching and learning methodologies. SVHS knows no bounds in knowledge and realises the margin fades forever and ever as it moves. But within its boundaries, the disseminated knowledge embodies the spirit of inquiry, research and quality. Our search is incessant, our service is ceaseless and our perseverance untiring. Imparting right knowledge, enhancing wisdom and creating distinctive individuals is our pursuit. Today we stand in the threshold of a new era - an era empowered by 'knowledge economy'. Even as we prepare to ride the waves of change, our foundations are built on solid rock, firmly anchored on strong life principles. SVHS prides itself in not only being an institution imparting life's latest know - how but also instilling human core values. . May God bless you. May his mighty hand guide you in all your endeavors

School at a glance

Dear Reader,

Welcome to SVHS Laguni. As you embark on this momentous journey of miraculous transformation, you'll soon realise that you are a member of a flagship that has been instrumental in propagating and implementing a groundbreaking educational revolution in Saran, Bihar. An educational institution isn't worth a great deal if it teaches young people only how to make a living but fails to teach them how to make a life. SVHS tremendous success is attributable to its pursuit of high-quality education. Our challenge to help our progeny survive and thrive. At the same time, we hope this investment will eventually return a productive member to the society. Education should consist of a series of enhancements, each raising the individual to a higher level of awareness, understanding and kinship with other fellow beings. SVHS promotes a safe, caring and supportive environment that ignites the minds of the youngsters and inflames their intellect. Education becomes significant and valuable when the learners are nurtured and taught to develop a 'Love of Learning' by facilitating the right environment. Education must be based on a solid value system and ethical background to withstand the wind of change. Hence. This enables Dipsites to go a long way in life. With more than a decade of experience in the academic field, SVHS has touched, nurtured, moulded, and influenced the lives of scores of young people. Under SVHS sheltering umbrella, from Pre-Nursery to XII, your child will blossom into a confident and mature youngster, ready to carve a niche in today's highly competitive world. Constant monitoring by proficient teaching faculty and frequent interaction between the school and parents ensure that a child prospers and thrives. Parents who wish to secure the future of their children start early. Help your children give wings to their dreams. Secure your child's future in partnership with SVHS. In our ceaseless quest for excellence, we solicit your support to strengthen our commitment. May God be with us all !!!
